

**Rosa María Esqué Vidal**

### **Teaching Portfolio**

I have taught at the university level across various faculties within the State, as well as in both associative and collegiate settings for different professional groups. My classes have included both face-to-face and virtual formats, such as online courses and webinars.

The subjects I teach are focused on tax law, taxation, and business consultancy, and they typically complement the professional studies pursued by my students.

### **Professional profile**

- Economist with a degree in Economics from the University of Barcelona.
- Graduate in Law from the University of Lleida.
- Master's degree in Tax Consultancy from the Barcelona Business School.
- Judicial expert and member of TAP.
- Insolvency administrator.
- Partner of Tandem TM & Associats, SLP, since 1998.
- Specialist in corporate taxation.
