

Information for entering the BIP in the Beneficiary module	
<i>Mandatory fields in red</i>	
BIP name	Social Studies in European Education (SSEE)
BIP ID	2022-1-FR01-KA131-HED-000053704-3
Programme No.	3
Status	Complete
Type of participants	Students and staff
Priorities	Other
Objectives and description	This BIP programme, which will be conducted entirely in English, aims to promote pedagogical innovation in teaching and research on European societal issues, by encouraging participants' theoretical and methodological imagination, acting as a mini-laboratory incubator for beginning researchers while developing interdisciplinary thinking.
Methodology and results	Students will take part in a high-level 5-day training module during which they will be invited to present and discuss specific theories and methodologies, demonstrating how they use them in their own dissertation. This dialogical, pedagogical and dynamic environment will provide students with new perspectives and potential theoretical and methodological resources in the appropriation of new questions concerning European education and its issues.
Discipline (ISCED)	Education, Sociology
Level of study	Doctorate
Start of the physical period	01/07/2024
End of physical period	05/07/2024
